

The British Carbon Group

Notice of Extraordinary General Meeting

Notice is hereby given that the Officers and Committee of the British Carbon Group have called an Extraordinary General Meeting of the group to discuss and approve the 2005 accounts.

The meeting will be held at The Institute of Physics, 76, Portland Place, London, at 2.00pm., Thursday December 14th. 2006

The planned venue is The Ada Lovelace room. Any change to the venue will be posted in reception.

The business of the Meeting is as follows: -

1. Apologies for Absence
2. Treasurer's Report

The EGM will be followed, from 2.30 to 5.30, by an afternoon of lectures on:

“Hot topics in graphene based materials”

Any further information regarding the EGM can be obtained from the BCG Honorary Secretary, John Fisher at the address below, or any other officer of the group.

Further details of the afternoon lectures can be found on the BCG website www.britishcarbon.org.
